Dear Community Member,

The Otsego Community Hockey Association (OCHA) is about to kick off another hockey season. We would love to have you as a part of our team.

The mission of OCHA is to provide a fun, safe and properly supervised atmosphere for hockey instruction that emphasizes skill development and also promotes the establishment of life lessons on the part of our players, including the importance of hard work, good sportsmanship, and discipline.

OCHA supports youth hockey education and training for approximately 100 children ranging in ages 4-17 through our team programs and instructional program for new players. The players are on the ice from October through Early March. These children are from our community as well as Boyne City, Grayling, Lewiston and Johannesburg.

The ultimate goal of OCHA is to provide an opportunity for youth of all backgrounds to participate in and enjoy the sport of hockey in a positive environment and to carry the love of the sport into their adult lives.

We hope you are willing to support our efforts in making our goal successful. Please consider sponsoring our organization and showing your support for our community youth through jersey sponsorship or banner sponsorship.

If you have any questions regarding sponsorship, feel free to contact our Vice President, Liz Harding 989-858-0714 or [lharding22@msn.com](mailto:lharding22@msn.com)

Sincerely,  
The Otsego County Hockey Association
