Great work out there today runners! You raced so well, with lots of grit, in that hot weather with crazy humidity. Thanks for being there for your teammates!

Thanks to all of our parent volunteers for what you do for our runners and making this season happen!

We are grateful witnessing your support your son and/or daughter's team! Please let me know if you are missing or you feel your time is incorrect. The full results are also "Documents and Links" on our website

Definetly a meet to bring this home- "running reminds us we can do difficult things!"

Solid work out there!
