

# KINGSBURG YOUTH BASEBALL ASSOCIATION

KYBA is offering our current and new business partners to our organization multiple options to purchase your own permanent business brick and multi year(s) sponsor banners. The purchase of bricks will help fundraising efforts for our newest Hank Hash Field project currently under construction, and these bricks will be placed at the Walk of Fame entrance at Hank Hash Field. Banners will help offset league costs such as uniforms, operations, and maintenance costs that support all five baseball programs for players ranging in age from 5 to 15 years of age. KYBA is looking forward to partnering with your business.
