

Steps to Become a SFYHA Coach

1. Register with USA Hockey as a Coach – Annual Process

<https://membership.usahockey.com/>

2. Complete the online SFYHA Coach Registration. You will not be considered for a SFYHA position until you have completed the SFYHA Coaching Application. No Fee

<https://www.siouxfallsflyers.com/beacoach>

3. Complete online Background Screening – before getting on the ice. Every other year requirement. No fee to be charged

<https://www.usahockey.com/backgroundscreen>

4. Complete online SafeSport Training – before getting on the ice – Valid for 12 months. There is a core course plus three refresher courses. Once you have completed all four of these courses then you start with the core course again. No Fee

<https://www.usahockey.com/safesporttraining>

5. Complete online Age Specific Module as required for the level you are coaching– before getting on the ice. Once a course is taken, it does not have to be repeated. You can complete more than one age-specific module in a year.

<https://www.usahockey.com/agespecificmodules>

6. Register and complete CEP status by December 31. You must complete the next level clinic each year until you have completed Level 4 clinic. The only exception to this rule is for 8U or younger only. They can remain at their present CEP coaching level, unless they are coaching older leagues. Classes will be virtual and in person for 2024-

2025 season - <https://www.usahockey.com/coachingclinics>

Always use your full legal name for all online registrations thru USA Hockey.

Per Memo from USA Hockey to local association Registrars – April 13, 2020

“EVERY COACH WHO IS ON THE ICE OR BENCH FOR YOUR PROGRAM MUST BE REGISTERED AND CLAIMED AS A COACH THROUGH THE REGISTRY.”
