

## OCTOBER 2020: Milwaukee Angels Communication

### OCT 2020

Angel Nation – October and baseball...there is nothing better! We are thrilled to announce we are OFFICIALLY in our new facility and looking forward to the build out. Over the next few months, we will continue to share news and updates on our progress. REMINDER: Practices will not start in our new building until after January 2021. Our first step is meeting with the Muskego City Assembly for proper approval and licensing.

Thank you to all our families for adjusting accordingly to our requirements as we continue to navigate through Covid-19. If you have any concerns please let us know.

We will keep the same communication template to continue to remind you of all the Angels Announcements to ensure the information you receive is consistent which will also reduce the number of questions to our coaches. If you do ask the coaches, they will refer you to us and we will refer you back to our communication. PLEASE READ EVERY EMAIL THOROUGHLY!

### SPORTS ENGINE

## **PRACTICE SCHEDULES**

Practice schedules are being finalized this month. Once they are finalized, we will post the schedule online and each Head Coach will communicate with their teams. If you are in an age group with multiple times, we will be prepared to plan combined schedules until teams are split.

Practices are still scheduled to start in November and the practice schedules will be finalized through December 31st, 2020. Once we are in the new facility, our practice schedules will adjust. Please be patient with our coaches and our coordinators as they are doing their best to prepare us for the move.

## **LEAGUE SCHEDULES**

Planning and communication will start once the coaches have communication from the League. Schedules for league games will get released in early 2021.

## **TOURNAMENT SCHEDULES**

Coaches will start to plan and schedule once tournament host post their schedules. Depending on the host, some are more organized than others. Once tournaments are confirmed, coaches will start to post to their schedule on Sports Engine which will automate a message to you directly! Don't forget to mark your availability for each game and tournament using SportsEngine.

## BASEBALL FALL CLINICS

We had a great turnout for Fall Clinics...We truly believe "Champions are made in the off season!" Keep workin', keep preppin', keep reppin'!

## FUNDRAISE FOR YOUR ATHLETE

**Shop with Scrip** is a way to earn money towards your player fees. You can purchase plastic or electronic gift cards and earn rebates towards your player fees. To learn more, visit and explore here: <https://www.shopwithscrip.com>

The enrollment code for the **Milwaukee Angels is FB9LC32331714**. Once enrolled, make sure to put your players name & team age in the "student" and "classroom" fields to make sure your funds are going to the correct player.

**Poppin for Popcorn** fundraiser was a great success for a few of our teams in 2020 and it is here to stay for the near term to assist families with their player fees. We will launch this fundraiser in Oct/Nov time frame to allow families the opportunity to sell for the holidays.

In order to allow families to raise funds through our nonprofit, each family who chooses to participate will have the first initial \$100 in profit go towards The Halo Facility. Any additional sales a family does over the initial \$100 profit will go directly to their player fees! Another great opportunity to offset player fees for your family.

\*Please note: Popcorn profit is 50% and Donation Profit is 70%. We prefer donation profits get made to the player directly, however, many people select the option online because it is easy.

This fundraiser is pandemic friendly as it is all done online and ships to the buyer directly. It's delicious, fast, and Covid Free.

## FUNDRAISE FOR THE HALO

**Amazon Smile:** A percentage of your eligible items bought through Amazon will be donated to The Halo Facility, which will allow us to keep fees stabilized for the years to come. This is an easy way to give back to the organization if you shop Amazon...please take the time to follow the directions below.

[AmazonSmile: You shop. Amazon gives.](#)

**Annual Fundraiser:** Our 8th Annual Fundraiser will be scheduled for early 2021. As of right now, the plan is to continue our tradition and host the fundraiser at our new facility as The Grand Opening!

Raffle tickets will be available in November/December when practice starts. As a reminder, we sell the tickets as a raffle for cash and prizes AND with every ticket sold the buyer receives free admission to our event. We are prepared to tweak our event as needed but the expectation of 10 raffle tickets per player will still be required.

We will communicate often as we start the season and planning.

## #GEARUP
