Subject: Government of Ontario announces easing of restrictions for Outdoor Activities

Ontario Soccer continues to work in consultation with Canada Soccer and the Government of Ontario, as we prepare for Return to Play 2021. Ontario Soccer will keep the membership updated with the most recent developments surrounding Ontario Soccer's Return to Play Plan.

The Government of Ontario [announced today](#) that it is easing the restrictions on Outdoor Activities and has updated the framework for organized team sports.

As a result of this decision, Ontario Soccer at this time **is reviewing the updated framework with the Government Health and Sport authorities to provide clear direction to membership on what is allowed for sport.**

Ontario Soccer will provide further updates and an updated Return to Play Guide when that information is available.
