A MESSAGE FROM OUR PRINCIPAL

It is my honor to welcome you to the 30th season of Crimson Hockey! Before us are exciting new opportunities in our first year as members of the Lake Conference and, once again, the highest of expectations. Coach Bergy has created yet another great schedule full of strong competition throughout the state. After a strong offseason of training and hard work, the boys are as determined as ever to reach “The Tourney” for the first time since 2023. With a mix of veteran leadership and underclassmen, our much-anticipated season has finally arrived.

At Maple Grove Senior High, we teach, model, and reinforce for our students The Crimson Way: Motivation, Gratitude, Scholarship, and Honor. It is no coincidence that these values are also embedded within the game of hockey. This is a great game; it is a tremendous privilege to be a part of Crimson Hockey, and we expect our student-athletes to embrace and cherish this opportunity. Moreover, we expect them to be strong leaders on and off the ice, in school and out. “Mr. Hockey,” Gordie Howe, once said, “There’s always something in the game you wish you would have done differently. That’s why players improve, because they learn from what they did before. They might have been guessing before, but now they know. You find that you have peace of mind and can enjoy yourself, get more sleep, and rest when you know that it was a one hundred percent effort that you gave – win or lose.” So it is with Maple Grove Crimson Hockey.

No program thrives on its own. On behalf of Maple Grove Senior High, I want to thank our families, community members, business leaders, and OMGHA for your tremendous support and generosity. Throughout our school, one can see the direct correlation between the strength and positive attributes of our hockey program with the overall spirit of our school during the cold winter months. The hallways become filled with our awesome students proudly wearing Crimson gear, and there is an energy that builds weekly towards game night because everyone knows that something special is happening – and they want to be a part of it! Without your support, this would not be possible.

So, the 30th season of Crimson Hockey will be a great one! On behalf of the students and staff of Maple Grove Senior High, I sincerely thank you for your support. Go Crimson!

Very sincerely and respectfully,

Bart Becker

Principal – Maple Grove Senior High School

I am proud and excited to be a captain for the Crimson this season. I believe that I have learned leadership from captains before me, as well as my older brother, Beck. This season is very important for the Crimson as a whole, and I believe that this year we can show other high school teams how strong of a program we are. I am excited to lead a group of players that I have grown up with and others that I have only recently met. I can't wait to kick off the 2025-2026 season.

CRIMSON HOCKEY REMEMBERS

“ In the realm of ice and steel, where the clash of blades echoes through frozen arenas, we pause to remember and honor the Crimson players who have left an indelible mark on the sport, our community and our lives. ”

BRADY GOODMAN

1997 - 2023

In 2023, we lost a member of the Crimson family, Brady Goodman. Brady was a standout goaltender for the Crimson from 2013-2016 wearing #33. He averaged a .911 save percent, 2.55 goals against, still holds the record for percentage of stops in one season with 94% and is second all time in goals against average. He also received All Conference Honors and Rookie of the Year in his 2013-14 season.

Brady excelled on the ice and approached each practice, scrimmage, game, or tournament with unwavering intensity. Coaches remember his ever-present smile, quiet confidence, and tremendous desire to improve. He always worked hard to challenge himself and will forever be remembered as a valued member of our hockey community.

PRESTON HAGEN

1980 - 1997

Preston Hagen loved hockey and gave the game everything he had. He played varsity as a sophomore and tragically passed the summer before his junior year. His hockey career ended early, but Preston still held many records including most assists in a game (4), most points in a game (5), and most goals in a playoff game (3).

We commemorate Preston to this day through the Preston Hagen Achievement Award which is given each season to a player who exemplifies confidence, sportsmanship, positive attitude, and the love of hockey.

Thank you SPONSORS

The Maple Grove Boys Hockey Booster Club, along with the coaching staff and players, wish to extend our appreciation to all the businesses and associations who contributed to our 2025-2026 hockey program.

Their generosity and support enables the success of Crimson Boys Hockey to continue.

Please make every effort to patronize these establishments.
