Coach Tyma updates:

- Chad Hammerschmidt: 9A coach
- Jack Trudeau: 10A coach
- July 28th virtual meeting on info on upcoming season (no booster info needed). Looking to prerecord meeting, and then do a live session to handle any questions.
- Please help with sending meeting info out to any players who may not be on our list (players who didn't play last year)
- Aug 16th will be the in-person LNHS Boys Soccer Fall meeting for players and parents. Boosters will have information presented at this meeting.
- Captains Practices: currently working on a schedule with captains for early August. The district is especially concerned this year with having supervision for any organized events. Coaches cannot supervise captains practices. We will need a volunteer (booster parents) to be present at any captains practice.
- LSC Walkout: idea to have younger LSC soccer players walkout with the players before games. Looking for a volunteer to work with LSC (Chad Hammerschmidt) to help organize this for each game.
- Tryouts schedule: working on times, coach availability, etc. Schedule will be posted online and emailed out. Rochester scrimmages on Aug 21st.
- Alumni Game: scheduled for Aug 24th. Looking to reschedule to Sept 1st.
- Jon Cochrane will be able to do the team poster again.

Eric Adamson/Booster updates:

- Fundraising commitment: targeting \$100 fundraising commitment per player
- Player team-issued warmup/sweatshirt: looking to target an item for \$50 per player. Collect checks at the beginning of the season, which can be shredded if \$150 fundraising is earned (\$100 fundraising plus \$50 warmup)
- Volunteer Bond: \$150. Collect checks at beginning of season, and checks are shredded when volunteer commitment is filled
- Banquet tickets: players' cost are covered by boosters. Any other family members (parents, etc) usually pay around \$20 per ticket. We will allow additional fundraising to cover this ticket cost
- Volunteer spots: the school will be taking care of filling clock & announcer (no booster parents). Also in discussion are ticket takers and concession volunteers. Ballboys will be a booster volunteer role, as well as photo/video for all level games. Looking to add other roles like merchandise table sales, color commentary for live stream, coordinator for national anthem singer to work with choir director, captains practice supervisor, game day signs setup/takedown, Soccer Night volunteers.

- Wisconsin Dells: Eric will follow-up on hotel reservation and food
- MN United game: Sept 25th game at 7:00pm, 75 tickets are reserved at \$30 each. We will use a SignUpGenius for signup.
