

Petoskey Area Hockey Association

Team Sponsorship Levels for 2026-2027

Petoskey Area Hockey Association (PAHA) is a 501c3 non-profit organization established to operate amateur ice hockey teams for the youth of Petoskey and surrounding communities. We do this by encouraging, promoting and improving the game and standards of the sport of ice hockey, building character, and fostering good sportsmanship among youth and others associated with PAHA.

PAHA is offering team sponsorship opportunities to our area businesses. Each team plays in multiple competitive tournaments throughout the season. For our association to remain strong, and enter our teams in tournaments, we are looking for sponsors to help offset our registration costs, fees, and other expenses incurred. Businesses may sponsor one or more team/tournaments. We offer 4 different sponsorship levels (shown below).

All sponsorships are tax deductible. A W9 form is on our website for easy printing.
