- OYBL practices are set to begin practice the week of November 13th.

2023-24 Registration

- 1st/2nd numbers are down a bit this year, but still strong, historically.

Sponsorship

OYBL

- OYBL Direct: Kattre will continue as Director with Younggren assisting with email correspondence.
- Refs will be utilized for 3rd/4th group games for the first time this year. Will look for 9th/10th graders to fill ref spots for this age group. Will alert parents of this change at OYBL parents meeting.
- High school students will continue to ref 5th/6th grade sessions.

Travel

- Travel team practices have begun and uniforms have been handed out.
- Shooting shirts and game balls to be delivered to coaches when they come in.
- The Girls 7th grade Black team needs a coach and the team may struggle with numbers. Subsequent to the October board meeting, a parent meeting was held and it was decided that this team would not play during the 2023-2024 season. The board will work with the girls' families that want a chance to play basketball this season, on opportunities for them to continue to develop their skills.

School District Update

- Heitz will work with coaches that need key card access for the season.
