### **Old Business**

Asset Committee – working on date to meet up at garage.

Apparel Update – Coach Bo is still talking with vendors. We would like to do a year round online store and a mobile store that can go to games, etc. We may get smaller items that we would

need to keep inventory of. We need to check with the school regarding any conflicts we may have with DECA in respect to selling items at games.

Meet the Tornadoes Night – It will be Friday, August 28th. Brian Wilson confirmed that Billy's will donate all hamburgers for a spot on the A Card. He's also contacting McDonalds and Cub Foods regarding donation of buns and desserts. Sara Narr will check with separate contact regarding donation of chips.

Home Game Committee – Melissa LaChance gave update on ideas the committee has discussed. We'll keep theme for the night in mind when painting the field for home games.  
Military Night – we'll reach out to VFW, Legion and Color Guard.

September 11th game may take place on Thursday night instead.

Golf Tourney, Sponsorship and A Card – Foursomes signed up are over last year. Getting donations has been tougher this season with COVID.
