

# Release of Liability for Student Transportation To &/or From Co-Curricular Activities

Parents/Guardians/Students (Age 16 and Older):

If your child (or you, if you are a student age 16 or older) plans to participate in co-curricular activities and plan to utilize non-district transportation, please complete and sign the following form, and return it to the student's coach or advisor.

Student's name: \_\_\_\_\_ (please print legibly) has my permission to participate in co-curricular activities during the 2020-21 school year and I acknowledge that there may be situations where it is the student's responsibility to arrange for appropriate transportation to and from co-curricular events.

I understand that the student's school may arrange for transportation, but on other regular and frequent occasions, transportation remains my responsibility. I agree for myself and on behalf of my child to waive all liability and to release and hold harmless the District, School Board members, agents, employees, and volunteers in the event of injury, death, loss or damage to person or property that occurs as a result of my child's transportation to or from a co-curricular activity by transportation other than that provided by the District or High School. In addition, I agree for myself and on behalf of my student, not to assert against the District, its board members, agents, employees or volunteers, in any court of law, any claim or claims whether known or unknown, that arise as a result of such transportation. I understand that this release and waiver of liability applies to claims caused by West Bend School District's own negligence, but not by the willful or wanton misconduct of the District, its board members, agents, employees or volunteers.

I have read and voluntarily sign the release and waiver of liability, and further agree that no oral representations, statements or inducements, apart from the foregoing written agreement, have been made. I also acknowledge that I may at some point be asked for proof of licensure and insurance.
