COMMITMENT

On this field, you've literally left it all — blood, sweat, and tears. You've made lasting friendships that will always be a part of you. You've fought side by side with guys who can relate with how bad you want to compete and win.

This field holds your laughter as tightly as it holds your frustration. Life goes on and off of this field, but nothing can compare to the feeling you get while standing on it. As you reflect on your time here, know in your heart what it stands for, remember it's always your home, and cherish all of the memories it holds.

SCHOOL PROFILE

MISSION & VISION STATEMENT

Dana Hills High School guides all learners toward college and career readiness in a safe, inclusive, and diverse environment. As a school filled with great tradition, our firm foundation has developed outstanding educational programs, exceptional staff, and distinguished academic achievements. We strive to be a place that inspires and connects with all learners, experiences, and lives. We pride ourselves on collaborating with families and our community as we prepare our students for a successful future.

COMMUNITY PROFILE

Dana Hills High School is committed to a challenging and comprehensive curriculum that prepares students for the world beyond high school. Located near the ocean in picturesque Dana Point, the school opened in 1973 and currently has an enrollment of about 1,945 students in grades 9-12. DHHS serves the communities of Dana Point, Laguna Niguel and San Juan Capistrano. The area is mainly residential, and most families are middle to upper-middle class, college-educated, and professional or semi-professional. Several parents are non-fluent English speakers, reflecting the diversity of our student population.

ACADEMIC & GRADUATION REQUIREMENTS

The school year is 180 days long and consists of two semesters. Each class meets 3 times a week with a modified bell/block schedule. Students earn 5 credits per class per semester. Freshmen and sophomores are required to take a minimum of six classes. Juniors and seniors may take a minimum of five classes if they meet credit requirements. A total of between 210-220 credits are required for graduation.

CURRICULUM

DHHS offers a curriculum that covers a range of college preparatory, technology and performing arts. Students also have access to the College & Career Advantage (CCA) Program offering career and technical education classes. More than fifty different course offerings are available within 15 career pathways. DHHS also provides two unique and competitive Academies. The Health & Medical Occupations (HMO) is a state funded academy designed for students who want to pursue a career in the health field. The South Orange County School of the Arts (SOCSA) is a visual and performing arts academy for students who have special interests for creativity.

ACADEMICS & EXTRACURRICULAR ACTIVITIES

GPA & ACADEMIC RECOGNITION

District high school students are ranked by decile instead of by individual number. Semester grade point averages (GPA) are computed using the following numerical value:

A = 4; B = 3; C = 2; D = 1; F = 0

For Honors and Advanced Placement courses, grade points are awarded according to the following values:

A = 5; B = 4; C = 3; D = 1; F = 0

Physical Education classes are not counted in the computation of the academic GPA with the exception of determining eligibility for athletics. A repeated class, indicated by an "r" on the transcript does not receive additional credit. The higher grade is used in computing the GPA.

COLLEGE AND CAREER ADVANTAGE

Some CCA courses offered are designated as honors and given a weighted GPA. CCA articulated courses offer high school students the opportunity to earn community college credit and high school graduation credit. More about these courses can be found at <https://cca.capousd.org>

ATHLETICS

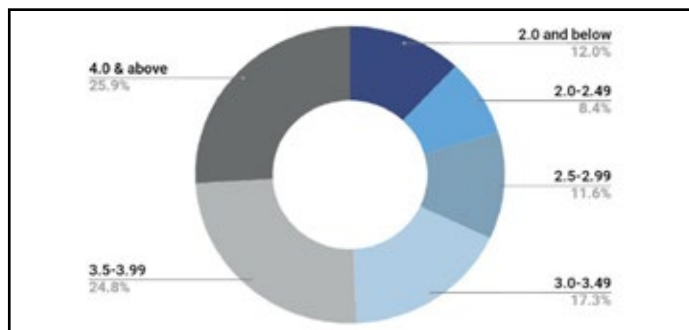

Dana Hills High School fields 25 CIF sports from freshman to varsity levels. Athletic teams participate in South Coast and Sea View Leagues.

ON BEHALF OF DANA HILLS BASEBALL

Welcome to another year of Dana Hills Baseball. We are excited for the 2023 season. The players, parents, and coaches have been working very hard throughout the summer, fall and winter preparing for a great spring season. The program continues to thrive year in and year out and this is due to the hard work that has been put in.

We look forward to continuing the tradition of success not only on the ballfield but also in the classroom. It is great to see where our student/athletes move on to college and all of their future endeavors. We have a program environment that parallels a family. Being a part of this family for the past 19 years has been truly a blessing. We hope you enjoy the Media Guide and all of the information that it includes. You will get to meet the players and coaches as well as see records from past Dolphins who have left their mark in the program. I would like to thank all of the families past and present as well as volunteers and sponsors who make this program possible. Our program is very thankful for all of the support we receive from our community and our stakeholders. We are looking forward to seeing you all at the games supporting our teams and players.

He played baseball three years in college before having surgery on his throwing arm. He injured his arm playing in the National Baseball Congress World Series in Wichita the summer before his senior season of college.

Coach Faris played junior college baseball at Antelope Valley College and Long Beach City College before moving on to play at Azusa Pacific University. He graduated in 1992 with his BA in Physical Education. He obtained his teaching credential in 1993 and his MA in Education in 1996 so he could pursue his passion of teaching, mentoring and coaching young men.

Coach Faris begins his 29th year coaching baseball and 29th year in education. He began his coaching career at San Gabriel High School his senior year in college while he was rehabilitating his arm. His next 3 years were at Citrus Community College as an assistant coach from 1993 - 95. He furthered his coaching career at Covina High School and at Cal State Dominguez. Prior to coming to Dana Hills, he coached at Capistrano Valley High School for 3 years and Laguna Beach for 1 year. In the 18 years that Coach Faris has been at Dana Hills, he has accumulated more wins each consecutive year than any other coach in Dana Hills' history. His teams have

made the playoffs 10 times. The Covid year (2020) did not have playoffs. A great accomplishment considering the teams they play in league. While in the playoffs, they have made the quarter finals 3 times and the finals once. In 18 years as the coach, Coach Faris has coached 13 Dana Hills baseball players who have signed professional contracts. They are Brett Lorin Class of '05, Tanner Scheppers Class of '05, Peter Tago Class of '10, Peter Maris Class of '11, Grant Dyer Class of '12, Blake Taylor Class of '13, Luke Williams Class of '15, Jay Schuyler Class of '15, Marrick Crouse Class of '15, Zach Wolf Class of '15, Justin Sterner Class of '15, David Clawson Class of '16 and Hans Crouse Class of '17. Tanner Scheppers was called up to the big league roster in 2013 with the Texas Rangers. Blake Taylor is currently playing in the MLB with the Houston Astros. He was called up in 2020. Luke Williams and Hans Crouse were called up in 2021 with the Philadelphia Phillies. Coach Faris' goals for the Dana Hills Baseball Program are to make it to the CIF playoffs each and every year. This is a great accomplishment if achieved being in the South Coast League. The SCL is one of the hardest leagues in the CIF Southern Section and the state.

Coach Faris has been married for 23 years to his wife Annie who is also a teacher in CUSD. They have 3 children. Katie (21) is a swimmer at Cal Poly SLO, Grant (19) is playing baseball at Golden West College and Grady (16) is a junior at Dana Hills.
