Equipment update (Andrew):

- New balls and the few mouthguards we ordered for coach's bags are at Play it Again Sports: Andrew has to find a day to go pick them up. Sorry but I had to cancel on him twice due to my schedule changing. Agility ladder x1 from PIAS has not arrived. Ordered to check it out before buying more.
- Helmet stickers: brighter red sent to the group this week. If we want Andrew to get a sample made just let him know. If we think we are good at printing x 550 we can do that too
