

As a beacon of hope for a return to normality we are delighted to be bringing IRONMAN 70.3 Weymouth back to Dorset in 2020. Rest assured that thorough assessments as to the safety of the event to athletes, residents and staff have been conducted and a number of measures are in place, in terms of screening, distancing and touchpoint reduction.

All the athletes will appreciate your continued support of the event more than ever after the challenges of the previous months.

Residents and businesses are advised to take the following into consideration when planning their journeys, and plan ahead for alternative parking locations or travel times. Please avoid parking on the bike course for safety reasons. Pedestrians can cross the course at any time when safe to do so. Essential access for carers will be facilitated.
