TACKS XF PRO

The new One-Piece Boot POWER with innovative FORS composite construction makes the CCM Tacks XF Pro the best Tacks skate that CCM has ever made. Specifically engineered to be lighter, more responsive, and more durable, all while maintaining the same pro-level stiffness ideal for intense north-south skaters. The PowerFlex Tendon 3.0 gives you the same range of motion for maximum stride extension, with more protection and durability. Our game ready fit has been improved to provide better heel lock and tighter forefoot wrap, for a snug and comfortable dynamic fit ideal for elite skaters. With ADPT memory foam around the ankles and added responsive foam liner layering, you might never want to take these skates off.

2025  TED BRILL GREAT 8

Welcome to the 2025 CCM Minnesota Hockey High Performance Ted Brill Great 8!

→ **CONGRATULATIONS TO ALL THE PLAYERS** on earning a spot in this spectacular weekend showcasing Minnesota's best players! These festivals play a critical role in the Minnesota Hockey and USA Hockey player development process and identifying the top players in each age group.

The CCM Minnesota Hockey High Performance Ted Brill Great 8 has become a "can't miss" event for college coaches and scouts. This should be a wonderful experience for you as you compete against some of the best players in the country.

It takes a great deal of passion for our sport and commitment to personal development to reach this stage of the tryout process. You should be proud of your accomplishments and

share the lessons you learn with your teammates back home in your community. Some of these lessons include teamwork, fair play, leadership and good sportsmanship. These life skills will serve you well as you continue your journey both on and off the ice.

Good luck, and take some time to enjoy what you've accomplished!

Sincerely,
Mike MacMillan
High Performance Director, Minnesota Hockey

NOTES

WE ARE UNSTOPPABLE

CCM IS A REGISTERED TRADEMARK OF SPORT MASA, INC. AND IS USED UNDER LICENSE BY CCM HOCKEY U.S., INC. & CCM HOCKEY AB.

The new One-Piece Boot POWER with innovative FORS composite construction makes the CCM Tacks XF Pro the best Tacks skate that CCM has ever made. Specifically engineered to be lighter, more responsive, and more durable, all while maintaining the same pro-level stiffness ideal for intense north-south skaters. The PowerFlex Tendon 3.0 gives you the same range of motion for maximum stride extension, with more protection and durability. Our game ready fit has been improved to provide better heel lock and tighter forefoot wrap, for a snug and comfortable dynamic fit ideal for elite skaters. With ADPT memory foam around the ankles and added responsive foam liner layering, you might never want to take these skates off.
