

Paul Sternburgh - St. Johns High School Class A

Paul loves to golf and relax but he hasn't done much of that for the past 10 spring seasons. In his 10 years of coaching softball Paul has a career record of 246-82 and has won the conference 7 out of 10 years. His teams have won two district and one regional title. This year the Redwings played their way to the final four before losing to Ann Arbor Pioneer. Paul is a sixth grade teacher and also coaches the golf team.

Kim Waddell - Ann Arbor Pioneer Class A

Kim has led the Pioneers for nine years and during that time has a record of 238-72. This season was exciting as her team went 35-6 before losing in the state finals. The most exciting time of the season was defeating Brighton in the regional final after being down by one run in the 7th inning. Kim is a graduate of Eastern Michigan University and was a scholarship softball player there.
