

SPSC Games at Sacred Hearts Fields

Guidelines and Policies for Coaches, Managers, Players, and Parents/Spectators – Home and Visitors

1. Parking-DO NOT park on Gerald Avenue (#1 in the image below). You will be ticketed or towed. DO park in the Sacred Hearts Day Care lot (#2). Players, coaches, and spectators should then walk down the hill to their field.
2. If needed, you can park on Columbus Street and Oak Streets (#3).
3. If you see orange cones in the parking lot, that means young children are on premises. UNDER NO CIRCUMSTANCES ARE WE TO DRIVE THROUGH OR BEYOND THE ORANGE CONES IN THE LOT IF THEY ARE SET UP.
4. Restrooms and concession stand (when available) are located on the south end of the complex (#4 below).
5. Please leave the fields, restrooms, and parking lot looking as good or better than they did when you arrived. We are grateful to Sacred Hearts School for the privilege of having access to these fields.
6. There is limited bleacher access, so you may wish to bring lawn chairs, etc...

***Coaches/Managers – you may need to help move goals into place and remove them after the game. Goals will be locked and moved off the fields prior to and after games. Lock codes will be provided to you. Please leave the locks with the goals so the fields coordinator can clear the field, restrooms, and concession stand every Sunday night. The school uses this property during the week so we need to make sure they do not need to move our equipment. This includes sandbags, goals, cones, balls, etc..**

If you have any questions or concerns, please contact your team coach/manager. Coaches/managers, please contact Fields Coordinator at 608 535 0304 with questions or clarification for playing at Sacred Hearts School.
