

Dear Stars Families and Players,

Welcome to the 2020-21 Beaver Creek Stars Select Basketball season! We are excited for another exciting season for our Beaver Creek boys and girls to excel on the hardwood and grow as young men and women under the guidance of the finest coaches in the area.

Obviously, this season will be unlike any other due to COVID-19 as we do everything we can to ensure, first and foremost, the health and wellness of our Beaver Creek Stars community – to include players, coaches, and families.

Attached you will find the new guidelines that will apply to all Stars activities at Henley Hall, Bales Arena and local Beaver Creek schools. These guidelines have been developed in coordination with the CDC, Greene County Health Department and Beaver Creek Schools COVID-19 guidance.

Please be aware, if you are participating on a select team, there may be different restrictions and guidelines at away games as mandated by the host team.

Volunteers are the foundation of our organization and our volunteer board has worked tirelessly to make it possible for our kids to play this year. If you have any questions or concerns about these guidelines, please contact the Stars Board directly at Your team's coaches are not responsible for these guidelines and have agreed to abide by all of them – any concerns you may have about the guidelines please direct to the Board.

Additionally, please keep in mind, volunteers are responsible to be site directors and work the gates during games. Please respect these volunteers as they enforce these guidelines to ensure the safety of your son/daughter. Unfortunately, attendance and practices and games will have to be limited this year.

There are no exceptions to the attendance rules or any other guidelines we have laid out. We are doing everything in our power to provide our children the safest playing environment possible so that we can give them fullest basketball experience possible. Please treat all of our volunteers with respect as we work together to do our very best under these extraordinary circumstances.

Thank you for your understanding and being a part of our organization this year. While the conditions are not optimal or what we would prefer – we believe wholeheartedly that with your cooperation and the safety guidelines we have implemented – this will be a tremendous year, again, for our Stars teams.

Sincerely,

Beaver Creek Stars Board
