Referral Thank You Program

Each year, St. Peter's is honored to welcome new families to our school community, many of whom are personally referred to us by our St. Peter's families. We want to thank them for sharing their St. Peter's pride with their friends, relatives, and neighbors! We think they should be rewarded for bringing new families to our school.

Through our "Referral Thank You Program," the enrolled family will receive **\$125 of tuition credit** for the next school year.

Here's how it works....

- The referral program is open to all families with students currently enrolled at St. Peter's.
- The referral family must be identified by the new family with their registration form.
- Only one family can be designated as the referral family.
- New family cannot have any siblings currently or previously enrolled at St. Peter's.
- New family cannot already be identified as a prospective family and in contact with the school.
- Approval of the new student(s) is not guaranteed.
- The tuition credit will be applied in the spring after both families have been enrolled for a semester.
- Families have the option of donating their tuition credit back to the financial aid program. Donation letters will be provided for tax purposes.
- Tuition credits will not be paid in cash, nor can they be applied to other fees.

The St. Peter's Referral Thank You Program is subject to review and modification and may be suspended at any time. Interpretation of the program parameters will be at the discretion of the Principal and Pastor.
