**Pool Play/Warm-ups**

Gym opens at 7:00 a.m. **Coaches: Check your teams in at the desk outside the fitness center in the field house. There is not a coaches' meeting.** All Pools will begin their first match at **8AM**. There will be a 10 minute (2-4-4) warm up for each team's first match only (if you are competing against a team that is playing for the first time in pool play you will still have a 10 min warm up even if you have already competed.) A 5 minute (1-2-2) warm up will follow for the remainder of competition. All pool play matches are 2 sets to 25 no cap (there is **NOT** a 3<sup>rd</sup> set in pool play). Balls are not provided for warm-up, please make sure to bring your own. Liberos can serve at this tournament.

**Playoffs**

Playoffs will follow immediately after pool play. Top two teams from each pool will go to the Gold Division, bottom two teams from each pool will go to the Silver Division. Sets 1 and 2 will be to 25 no cap. If needed, the 3<sup>rd</sup> and deciding game of a playoff match is to 15 points, switch sides when the first team reaches 8 points- no cap. **Champions in the Gold and Silver divisions will receive T-shirts.** We will not wait to start a match according to the time it is scheduled. Playoff matches may start early and will begin immediately after pool play. Please keep your eye on the official score board.

**Division/Seed breakdown and placement in playoffs will be decided by:**

1. Win/Loss
2. Head to Head
3. Point Differential
4. Coin Flip

**12s Division:** A lighter ball (7-8oz) will be used. Players are allowed to serve from behind a line seven meters from the net rather than the end line (Green line on court) if needed. If both team coaches agree, players are allowed to serve from a shorter distance (ie. 10ft line). However, if this rule is agreed upon when a player's team wins three consecutive rallies, all begun by the same player's serve, the team retains serve but must rotate so that a new player serves. Net height will be set at 7ft.

**Officiating**

All teams are responsible for providing their own officiating equipment. **For playoffs: The WINNING TEAM of the FIRST round of playoffs will officiate the next playoff match on that court. Thereafter the LOSING TEAM is obligated to stay and officiate.** Any team late for an officiating assignment and/or competition will be penalized. These teams will lose a point for every minute they are late. Please check with the site director before you leave to make sure your team has no further officiating duties.

In our region, coaches (or an adult registered with USAV/JVA or who has been to an officials' clinic) will be required to control the match as either the R1 or R2 within all age groups. At the 12s level, the first referee must be the coach (or an adult registered with USAV/JVA who has been to an officials' clinic). Coaches and players are required to attend an officials' clinic before officiating. The officiating team must provide a first referee or second referee, scorekeeper, libero tracker, scoreboard operator, and two line judges.
