About Fever United Soccer Club

Welcome to the **Fever United Soccer Club** Family! We are very excited for the opportunity to work with your kids and their passion for soccer as we help them cultivate their skills into a culture of positivity, high energy, and incredible achievements. We would like to take this opportunity to get acquainted and provide you with some information about Fever United regarding our vision for your child's success, our beliefs, and Fever United's overall mission.

The Fever United culture is what makes is different, unique and worth fighting for. We can't explain it; you must feel the uniqueness for yourself. We are not perfect and will never please everyone all the time. Fever United has matured and even more soccer savvy! The price of success is hard work, dedication, and determination. Win or learn, we have will and have applied ourselves to be our best. We want our athletes to learn to compete because we want them to

compete for the best jobs. We want them to learn how to create and maintain a great team culture because we want them to build strong family cultures. We want them to learn to both lead and follow because our country needs them to be the next generation of leaders. We want them to learn to commit and sacrifice because we want them to become great parents. We want them to learn to be accountable, selfless, disciplined, mentally tough athletes so as parents they will know how to raise young people who are the same way. We want them to learn and demonstrate integrity, because the young people in their lives will learn about integrity by watching them. Fever United,

Thanksgiving Break- All fields CLOSED

**The best way to find
yourself is to lose yourself in
the service of others.**

Fever United,

We are always looking for volunteers to donate their expertise to the club. If interested, please contact Constance at coach@feverfc.com. It's an awesome way to get to know each other and build future relationships with other local and regional business owners. Thank you to all the managers that give so much of their time and energy to their teams and Fever United. Additionally, we would like to welcome to our family the Fever United 2013B Gomez Team located in our Keller Division, and the Fever United 2013G Perez Team located in our San Angelo Division. Our foundation is one of Faith, Family, and Fever.

Fever United Soccer Club will be taking off Thanksgiving week. I know that some of our teams will be playing in tournaments over the holiday, so please get with your respective coach on upcoming training times and locations due to facility closures.

Our Annual Christmas party is December 20th at the Grapevine Recreational Center and we look forward to seeing everyone there for a good festive time. There will be more details to follow soon. If you would like to volunteer, please contact myself or our Club President, Willard Smith, for further details.

Remember Daylight Savings will be back in effect on November 3rd, which means it will be getting dark earlier. We are asking our coaching staff to walk the Academy Fever players to their parents after each training session concludes. Parents, please try to meet in one location to make it easier for your Head Coach to ensure all players made it safely back to their parents.

Thank you all for being a part of Fever United...

Thanks,

Constance Smith
