# STUDENT-ATHLETE OF THE WEEK

The Livermore Bulls Junior Football League would like to recognize our student-athletes whose effort, desire, sacrifice and contribution has made a difference to their team, coaches and teammates throughout the season. Unlike most recognition awards these nominations represent much more than just personal achievement on the field of play. Great teams have players willing to take on new roles and support others for the greater good. By receiving this recognition, the player has demonstrated great character, leads by example, has a willingness to put others first, made sacrifices or other valuable contributions to the success of their team that which is not always recognized.

Player: Jaxson Rubio  
Team: PW Dev

Jaxson is a 2nd year player from Mendenhall Middle School. When he's not on the field, Jaxson loves hanging out with friends and enjoying the camaraderie that comes with sports. Whether it's practicing together or just having fun, his friendships are a big part of his football journey. Jaxson looks up to Randy Moss, inspired by his legendary playmaking abilities and unmatched athleticism. Moss's impact on the game motivates Jaxson to push himself and strive for greatness. Jaxson dreams of one day playing in the NFL. With his passion for the game and determination, he's on the right track to make that dream a reality. Jaxson is a Livermore Bull!
