**YELLOWJACKETS**  
CRYSTAL LAKE, IL

Yellowjackets Families,

As we are sure you are aware, McHenry County has declared a state of emergency in response to the Novel Coronavirus (COVID 19). As an organization that prides itself on community and family, we feel it is necessary to put the safety of our patrons first. In light of this, we have decided to cancel our Super-skills day scheduled for this Sunday. We understand that there are mixed opinions in regards to the issue of COVID 19. However, we prefer to err on the side of caution, as the health and safety of our players and families is our primary concern. This being said, we want to assure everyone that there is no knowledge of any potential exposure or infection related to the rink or any participants. We cannot stress enough that this is a precautionary measure. At this time, there are no other cancellations or postponements of other activities, but as an organization, we will remain vigilant and transparent with all of you.

Sincerely,

Executive Board
