## INFORMATION BULLETIN

**Bulletin #:** I2020-009  
**Date:** Jan. 29, 2020  
**To:** Ontario Soccer; District Membership, ORA, Associate Members  
**CC:** Ontario Soccer Board of Directors  
**From:** Johnny Misley, Chief Executive Officer  
**Subject:** Novel Coronavirus

The health and well-being of Ontario Soccer membership is important to all of us.

Membership are likely aware of media reports regarding the **Novel Coronavirus**. While the World Health Organization has not declared a global health emergency as of yet, Ontario Soccer feel it is an appropriate time to share relevant information to keep our colleagues and workplaces safe and healthy.

The variant of the Novel Coronavirus is a virus, with symptoms similar to the flu or common cold. This can include a fever, headache, sore throat, cough or shortness of breath.

To reduce the risks, health professionals recommend practices consistent with good hygiene, such as frequent hand-washing with hot, soapy water, the use of alcohol-based hand sanitizers, wiping frequently-touched surfaces with antiseptic wipes (e.g. light switches, phones, door handles, etc.), and coughing into a sleeve or tissue.

If you or any one you know are experiencing symptoms of a cold or flu, please speak to your healthcare provider.
