STUDENT-ATHLETES OF THE WEEK

The Livermore Bulls Junior Football League would like to recognize our student-athletes whose effort, desire, sacrifice and contribution has made a difference to their team, coaches and teammates throughout the season. Unlike most recognition awards these nominations represent much more than just personal achievement on the field of play. Great teams have players willing to take on new roles and support others for the greater good. By receiving this recognition, the player has demonstrated great character, leads by example, has a willingness to put others first, made sacrifices or other valuable contributions to the success of their team that which is not always recognized.
