December 1, 2020

TO: All Members, Teams and Associations
FROM: NYSAHA Board of Directors

On behalf of the NYSAHA Board of Directors, we want to remind everyone that as per the State of New York, New York Forward only "Individual or distanced group training or activities" or "Organized no/low-contact group training (e.g. sport camps and clinics)" are allowed at this time.

It should be noted that even if you are having these acceptable activities/trainings all players must be registered with USA Hockey, claimed by your association, and placed on a roster to ensure the insurance provided for sanctioned USA Hockey activities is in force.

Participants in a sanctioned game or practice will be made up of players and coaches listed on an approved USA Hockey registration roster.

It should also be noted that all players that 17, 18 and or 19 years old have to complete the safesport process.

If you have not done this you must do it ASAP for the protection of the participants.

Yours in Hockey
New York State Amateur Hockey Association, Inc.

Joe Baudo
