Dear Friends of JDL Providence Football,

JDL football is an innovative youth tackle football program developed to promote the game of tackle football to young players of various age, weight and ability levels. The JDL philosophy is "player centric" and implemented in a manner that assures a safe and enjoyable experience for all participants. All players will enjoy abundant and meaningful playing time by getting the opportunity to learn and play every football position.

Our first priority is always the safety of our young athletes. In order to teach proper and safe tackling, the purchase and utilization of many types of equipment is necessary. It would be impossible to do all of this without the support from our community and local businesses who are looking to make an impact. If you are interested in teaming up with us this season and becoming a sponsor of the JDL Providence Football program, please review the attached sponsorship packages. Every dollar from every sponsorship is helpful and is put immediately into the JDL Providence program to help develop young athletes.

JDL Providence Football

Mission: To empower youth athletes through the game of football that addresses their physical, psychological, and spiritual growth through the teaching of heads up tackle football in a manner that Glorifies God.

Vision – Our vision is to utilize our God given gifts to create a positive athlete centered environment with a focus on safety, fundamentals, and ample playing time.

Thank you for your time and consideration. We could not make this program possible without your support!

Sincerely,
Scott Haak, PT, DPT, MTC, CSCS
President and Director of Coaching
