*Scheduling*

Scheduling has begun. No complications thus far. It allows teams to avoid conflicts (Prom, SAT, etc) Recommend getting in 10 practices before the 1<sup>st</sup> game.

Chad Kornberg reported having difficulty as teams are not responding to email. He suggested having a way to see when teams are available.

Britt Cornaby stated that he can start updating a google sheet and make it available by the weekend.

Please do not edit the document. Also, officials are asking that only 6 games are scheduled per day.

There is a moratorium on jv games until the varsity games are scheduled.

**ACTION:** Please have in varsity games by November 4. Please submit the following info to Britt Cornaby for inclusion in the spreadsheet:

### *JV teams*

Britt asked that teams wait until January to begin scheduling jv games. He encourages teams to have double headers once the time changes. An optimum time to begin games is 5 – 5:30.

Tom met with the Athletic Director at Rocky to talk about scheduling. Girls teams are now sponsored (not sanctioned) by West Ada School District. Girls take priority on the schedule. It is suggested that teams leave one day before and one day after open in order to be flexible for this.

### *Open Forum*

Chad Kornberg asked if jv will have a playoff, and if seniors can play on varsity.

1 – A jv playoff is good for kids. There were some concerns last year that teams were being stacked. Please police yourself.

2 – We have allowed seniors to play jv in the past.
