

Date: 3-16-2020

At USA Oklahoma Wrestling, our number one priority is always the safety of our athletes and their families, all our members, our staff, and the entire U.S. wrestling community.

USA Wrestling has made the decision to immediately enact the following:

- Discontinue all sanctioned events (local, state, regional or national) through April 6, 2020. Any event scheduled through April 6, 2020 will be notified to cancel. If any event was previously sanctioned with USA Wrestling, that sanction is now revoked.
- Postpone all regional and national events up to April 20, 2020. This is to include the following events:
 - Girls Folkstyle Nationals – Colorado Springs, CO – March 26-29, 2020
 - Last Chance Olympic Trials Qualifier – Millersville, PA – March 27-28, 2020
 - Northwest Regionals – Centralia, WA – March 28-29, 2020
 - Olympic Trials Silver Coaches College – State College, PA – April 1-3, 2020
 - Folkstyle Nationals – Cedar Falls, IA – April 3-5, 2020
 - 2020 Olympic Team Trials – Wrestling – State College, PA – April 4-5, 2020
- USA Wrestling strongly encourages all chartered clubs and coaches to adhere to local government and/or school district guidelines and recommendations when deciding whether or not to host practice(s). In cases where clubs have wrestlers from multiple states and/or school districts, USA Wrestling strongly encourages club leaders to use the most aggressive action plans as the criteria for making decisions.

After meeting with our general membership and board, USA Oklahoma Wrestling has decided to follow recommendations from USA Wrestling. We will also postpone any sanctioned tournaments or events until further information is available. **The Current USA Oklahoma Wrestling Schedule is postponed until further notice.**

Due to our primary concern for the health and welfare of our membership, we strongly recommend you follow all regulations and advice from your local school system and medical experts, including the U.S. Center for Disease Control and the World Health Organization concerning **practices** or any activities with your club.

USA Oklahoma Wrestling is monitoring this situation daily. Please understand that this situation is fluid, and you should expect further updates from USA Oklahoma Wrestling and USA Wrestling.

USA Wrestling has a page on its website solely devoted to COVID-19. To view their page, cut and paste the following website: <https://www.teamusa.org/USA-Wrestling/Features/2020/March/14/COVID-19-Special-Section>. This page includes links to resources for the wrestling community, as well as lists of statements, press releases and articles that involve impact from COVID-19.

Thank you,
Zachory Randall
State Chairman
USA Oklahoma Wrestling
