### Important Notes:

1. **Skates #6, #8**, need 3 (three) on-ice coaches to assist with body checking clinic. **Skates #3, #9, #13** need 2 (two) on-ice coaches to assist with goalie evaluations/pathway
2. Each club is responsible for providing at least 2 (two) on-ice volunteers for each session. Clubs can rotate between each volunteer to monitor dressing rooms during the session.
3. Do not send any workers that wish to evaluate during the skate session.
4. The following equipment is required for BOTH benches (Please coordinate these items in advance with other scheduled clubs): First Aid Kit, Pucks, Players to bring own water bottle\*
5. Draft Chair or alternate, will take attendance, answer questions, find replacement jerseys, and resolve issues as they occur
6. Please have workers report to the Draft Chair or alternate 10 minutes prior to the first skate session.
7. Two workers supervise the two benches during the skates.
8. One worker is assigned to facilitate on-ice drills and monitor scrimmage. Skates, helmet, gloves, stick, & whistle are needed. Worker expected to remain on ice for duration of skate.
9. One worker is responsible for patrolling the dressing rooms, clean-up, gopher, etc.
10. Bench workers need to monitor each goalie's ice time. Each goalie is on at least twice per session, once at each end. Divide time equally among all goalies
11. Evaluation Skate sessions start with warm-up, skating and drills followed by scrimmage. Instructions are provided.
