------	------	------	------	------	------	------	------	-------

**Notes on format:** Thursday and Friday: Preliminary features to qualify for Saturday's main events. All cars time trial (6-8 cars at a time). Cars will then be split into equal features (no more than 28 per feature), lined up based on qualifying, and race for the purse above. Top cars 4 finishers in each feature will automatically qualify for Saturday's A main. If there are three features in a division, it will be the top 3 cars from each feature (9 total). The qualified cars from Thursday will line up the top inside positions and the qualified cars from Friday will line up the outside top rows. Saturday presents B mains and last chance races to fill out the remaining spots for all non-qualified cars as well as A-mains for all + divisions!
