

Parents and Guardians:

We are excited to begin registering for the fall 2021 flag football season. We have partnered with NFL Flag to create a unique opportunity for athletes in our area.

Game nights will be held on Tuesday nights in September and October. The league season will culminate with a League Championship Tournament the weekend of October 23-24. All teams are automatically placed in this tournament, with no registration fee. Please add this tournament to your calendar.

Practices will be determined by your local coaches and held in your community. We will need coaches to help make this opportunity great for our athletes. Thank you for being willing to get involved, regardless of your level of experience. We will help you in any way that you need.

This opportunity is open to all boys and girls entering third through sixth grade in the fall of 2021.

A complete schedule of game times and locations will be emailed after registration closes - closer to the start of the season. A tentative schedule that has the dates of games is included with this mailing. (SEE BACK)

The fee is \$65 per athlete. This includes a jersey, mouthguard, officials for games, and the necessary equipment, etc. Registration after the deadline of August 1st is \$90.

Financial Assistance:

If your family is facing financial hardship, please reach out to me. We would love to have everyone play - that is our mission! If you and your family are interested in helping sponsor athletes who may be struggling to afford to play, please reach out for more information. Thank you!

Registration Deadline: August 1, 2021
