The Magpul Texas Youth Action Shootout (TYAS) is a freestanding match series provided by the TSRA Foundation, Inc. The series provides the opportunity for our Texas Youth and Coaches to come together, practice safe firearm handling, have fun, work as a team in an competitive environment, socialize with other like-minded individuals around the state, build confidence in marksmanship and prepare those athletes traveling to compete in the Scholastic Action Shooting Programs (SASP) in Texas, around the nation and at the SASP National competition each July.

The TYAS series is privately funded by the TSRA Foundation and from the solicitation of Texas based community supporters and industry partners. The TSRA Foundation does not expect, nor receive any financial assistance from the Scholastic Shooting Sports Foundation (SSSF) or the Scholastic Action Shooting Program (SASP).
