Discussion

Executive Director - Frank Salvoni - Big thanks to Sam and all involved for putting on an amazing girls tournament. We seem to have a few kids with concussions this year. There is a new guy, Jason, who can help with kids who have had a concussion. He is at Gravity now and would be a good asset. Also having coaches talk to kids and keep heads up. There are a few drills to work on protecting yourself when going down into boards. We have the HS boys home tournament this weekend. Annie to introduce Shoulder Check Friday night. Senior night is Saturday. Bantam B is in McCall, Bantam A is in Provo. Girls are in Bozeman.

Registrar's Report – Nancy Fenn - Final registration numbers are at 271 which is great. Girls jamboree was a huge success and was a great weekend for girls hockey. It was a model for what other towns can do if the girls numbers and teams are low. December 20th is the Futures Game which is run by the Suns but has sun valley youth hockey participants. December 27th is the Girls Alumni game. December 28th is the Boys Alumni game. The wreath fundraiser just ended, and was the largest wreath fundraiser we have had to date. Webb Landscaping also agreed to increase our discount back to the 40% we had years ago which will also help in the upcoming years. We completed a couple safe sport investigations which are finalized now. We have a few refund requests from players who did not purchase the registration insurance. It was discussed to refund a prorated amount minus \$500 for costs already spent for coaches and program costs determined based on anticipated registration. Due to the nature and timing of the requests we moved to approve the prorated refund minus twice the cost of insurance.

Motion - Gene made a motion to approve three prorated refunds minus double the insurance amount that would have been charged. - Mark second, all approved.

Hailey Ice – Sarah Benson - We already talked about the girls tournament and the women's tournament was the same weekend and was a great event. Frank and Nancy both did a great job of talking about upcoming events. We need to make sure spectators of the youth hockey games get out of the rink quickly before the doors can be opened for the Suns game. Pond hockey fund raiser for Blake Jenson also on December 20th, before Futures Game.

Treasurer's Report – Barton Burdette - Finances appear on target for this time of year.

Community Safety Coordinator Report – Annie Leady - Project Shoulder Check presentation at 4:30 this Friday, in advance of the varsity game. Both Sun Valley teams and the teams they are playing will stay on the ice for the presentation and will recite the pledge. Annie is also leading an effort to have more health resources (such as EMTs or Doctors) on sight at all SVYH events.

President’s Report– Brooke McKenna - Thank you for their years of service and fond farewell to both John Kearney and Jeff Lamoureaux who are stepping off the board. We will work to fill their seats in the next few months.

Meeting adjourned at 7:49.
