Meeting called to order at 7:30 pm.

Financial Report Provided by Wayne Vance.

Alex Brunet, League President announced to the league that the county registration fee would be significantly increased. Over the previous years it has increased only a small amount. Last year we had 34 games at Cannon and they will be turfing that field this year. We will see an increase of games at cannon and hope to expand to 70 game slots. Bachman and Cannon would have drop times of 3 hours and 2.5 hours depending on 9 or 7 inning games to allow us to get more games on these fields. Lights would also be installed at Bestgate.

Field Maintenance: Teams were asked to assist at Bestgate as manpower was needed to help the Clippers on weekends. Interested teams were instructed to contact league officials.

Rule Changes: Rule changes were highlighted on the league website. Changes included addition of Lineshare, change to the rule of courtesy runners for catchers as well as extra innings.

Smart Wavier: The smart waiver provided by MSBL national was presented to league members and how to complete this form. Also explained was how to set up a sportsengine account.

Tryout: The league tryout would be held on March 13, with a rain make up date of March 20. The 35/45 division would be held from 9-11 am and the 22 division from 12-2 pm.

The league indicated that they were looking into reviving the Orioles ticket fundraiser and possibly a veterans day game. More information would be provided on that at a later time.

Meeting adjourned at 8:30 pm.

Notes Completed by: Mike Largent, Secretary
