A Message from our Director of Coaching Bobby Holden

What a terrific fall season! The success and growth our players have shown since August is impressive and due to hard work from all involved. The strong showing at Supplemental Tryouts in October was incredible.

On behalf of the directors and the club, we want to express our gratitude to the players, parents, grandparents, coaches, volunteers, and others who contribute their time in so many ways. Your commitment is what makes our club so great!

Congratulations to the teams playing in their first MDL season and achieving impressive results this past weekend in Evansville. Our teams earned five wins and one draw! Congratulations to Coach Kail & Coach Gerike and all players on the 2007 Girls Elite Team who will be competing in National League this upcoming spring! We are proud of them!

As you look forward to a well-deserved break, everyone at Impact wishes you a Happy Thanksgiving with your friends and family! Enjoy the rest and relaxation! ~Coach Holden

Your Keys to Remember when Emailing Coaches

- Have a professional email with your name & grad year to help organize all your college info. Make sure YOU the player are sending it not your parents.
- Always address coaches by name (Not Dear Coach. – Mass Mail) and include assistant coaches email as well.
- Include Grad Year, Team Name, Jersey Number, GPA
- Make it personal, talk about something related to their program and college that interests you.
- For tournaments, send your email by the TUESDAY before the weekend. Coaches create schedules in advance – if you wait to email until the Thursday or Friday before the tournament, they might not add you.
- Always read over your email for correct name of school, your information, etc.
- If they send you a recruit form, be sure to fill it out to get added to their database.

**Check out examples of Email templates on the College Pathways website page

Highlight Clip Reminders:

- Keep them around 2 to 5min
- Let them know what number, jersey color and position you are
- Make sure to have a marker to identify you on the field
- Keep special effects limited and coaches can tell when the film is sped up
- If you add music make sure it is appropriate
- Create a soccer YouTube channel to keep all the clips together.

SHEER TRAINING
We rise alone, and we rise together.

A Message from Brian Wolverton

Soccer Coach and Owner of Sheer Training

As we approach the new year, I'm thrilled to offer more resources and opportunities through Sheer Training to help our aspiring soccer players reach their peak potential.

To kick things off, I'm introducing my **Holiday Guide to Great Player Development Tools: Shareable Holiday Guide to Great Player Development Training Tools** —a comprehensive PDF that includes links and descriptions of essential items to enhance technical skills and physical abilities. Whether you're searching for the perfect gift for a soccer enthusiast or aiming to elevate your game, this guide is a valuable resource.

From a service standpoint, if your soccer player is trying to get to his/her next level here are two ways I can help...

1. My Speed and Skill Player Development Package that includes:

- Weekly In-Person Session with me in a small group (at Brandywine Park) focused on improving first step, running speed, and technical skills.
- Membership to my soccer system, called Fit for Footy, on my Sheer Training App. This provides a weekly physical training program, Ball Mastery skill sessions, and player nutrition guidance designed around the idea of Train Better, Feel Better, Perform Better!

High School Group: Tuesdays from 4:30-5:30pm
Middle School Group: Thursdays from 4:30-5:30pm.

There are a max of 6 spots in each group.

This package is normally priced at \$240 per four weeks, but through partnership with our club I will happily offer an ongoing Impact Player special rate of \$200 per player (meaning you save \$40 month after month for as long as your player continues training with me).

Message from Brian Continued

2. My Physical Performance Private Coaching Package that includes:

- Either 1x/week or 2x/week 1-on-1 sessions with me at my private training gym.
- Membership to my Fit for Footy soccer system with everything mentioned above, but with a personally customized physical training program.

I currently do not have availability for further private coaching, however if you have any interest in this, please email me letting me know and I will put you on my contact list - meaning I will reach out to you once my availability does open up.

If you have any interest in either of these opportunities or would like more information, please email me at SheerTraining@gmail.com.

COMING SOON • COMING SOON • COMING SOON • COMING SOON

1. Impact Player Development Nights with Sheer Training (details coming soon)!

2. Never done before offer for my Fit for Life Training System with Personal Consulting for any active adults out there looking for a training program and guidance to level up their bodies and performance too (details coming in January)!

I'm excited to share more about these soon!

Until then, if you have any interest or questions, please email me at SheerTraining@gmail.com and let me know how I can help.

I hope everyone has a great holiday season! ~Brian Wolverton

Indiana Soccer Award Nomination

Each year, Indiana Soccer honors individuals who are involved in youth & adult soccer programs throughout Indiana by giving awards in a variety of categories. We know we have the best people and want to recognize them! If you know of someone in our club who is making a difference for our kids and/or our club please let us know by filling out this form. You can fill out the form more than once for multiple individuals.

The deadline for submitting this form is December 7th.
