

## **Cooperative endeavor between Recreation District #1/Pelican Park and Mandeville Soccer Club.**

The soccer needs of the community are met by a cooperative endeavor between Recreation District #1/Pelican Park and Mandeville Soccer Club. The District provides field usage, lights, regular painting of game lines, game goals and turf care at no cost to the Mandeville Soccer Club. The soccer club handles the administration of the soccer programs, which includes registration, team formations, coaches, schedules, training and much more. Mandeville Soccer and Pelican Park work together to provide the community with one of the best soccer programs in the south.

Because the Recreation District is supported by property tax, any player registering with MSC who lives outside of the Recreation District, which means they do not pay property tax, must pay a \$50.00 non-district fee. The soccer club collects the non-district fees and remits it to the District.
