Expectations

Coach Responsibility

Focus is on fair and competitive play, while teaching baseball rules in a safe and controlled environment. Coaches will work cooperatively with players on their positions but makes the final decision based on safety of player/team.

Parent Involvement

Even though we will be fortunate to have volunteer coaches; team managers; division manager, we will still need parent volunteers to support our teams. Parents will be placed on a rotational schedule to help with duties such as field prep, scorekeeping, pitch counting, and concession duty. NOTE: This is not a DROP OFF activity, parents are expected to be nearby in case of emergencies or to assist with their child.

WHAT TO EXPECT

Majors

The final level in our minor baseball program, designed for players who are baseball age 10-12. Gameplay focused on advancing skills, building teamwork, and gaining meaningful game experience.

Team Formation

Players will be assigned to a team by the association. All players must attend regular season assessments, typically held at the end of January. These evaluations are critical for forming balanced and competitive teams through a coach led draft process. Please note that friend requests are not accommodated in this division, and team placements are final once the draft is complete. Volunteer Head Coaches may select one Assistant Coach for their team. The children of both coaches will be guaranteed placement on the same team, if applicable.

Season Planning

Regular Season runs from April to mid June. Players in the Majors division may try out for Post Season teams, including All Stars or Selects teams for ages 10 through 12. These teams compete from July to August.

Selection to a Post Season team requires full commitment to all practices, games, and tournaments. If a player is unable to meet this commitment, their spot may be reassigned. Post Season participants will also be invited to join our Fall Ball program for continued development. For those who are not placed on a Selects team, we offer a Summer Ball program, a casual, player led weekly game session focused on fun and gameplay, without formal coaching. There will also be development in winter (Jan-Mar)
