

RIVERFLOW SOCCER CLUB: LOCAL ACTION, GLOBAL REACH

Now preparing for our 24th year, RiverFlow Soccer Club (RFSC) is a not-for-profit, 501(c)(3) organization, with a 100% volunteer staff of coaches, managers and Board of Directors.

From its humble start in 2002, with only 32 players playing on two teams, RFSC has seen significant growth. In 2025 we had our greatest number of participants ever on our youth teams and adult team.

Soccer truly is the world's game, and our club's diversity is seen at every game and practice. Our athletes come to us from across the world!

We help our participants to become better students, athletes, and leaders. We explain that this is a continuous path of growth, not a final destination.

Mentoring our young people to become leaders is a priority at RFSC and part of our continuing efforts to break the cycle of poverty and violence among young people of color. Statistics show that a disproportionate number of Black and Hispanic young men are unemployed or involved in the criminal justice system. These young men are more than six times as likely to be victims of murder than their White peers and account for almost half of the country's murder victims each year. (Source: My Brother's Keeper Alliance fact sheet.)

The success of these efforts is shown in the growing number of former RFSC youth players returning as adult leaders. Michael Henry, Nekabari Tor, and Omar Watts are some examples of former players who are now volunteering to mentor our student-athletes and help them grow to be tomorrow's leaders.

THE PROBLEM: LACK OF FUNDING

The fact that all of RiverFlow's staff and coaches are volunteers allows us to keep the costs as low as possible. For our travel soccer teams, student-athletes aged 8-18, the yearly registration fee is only \$450.

Despite this being the lowest fee of any travel soccer club in our area, many of our families are unable to afford the cost. RiverFlow has never turned anyone away due to an inability to pay, and we provide financial aid for families dealing with financial hardships. In 2025, 53% of our participants received a 100% waiver of their registration fees. While this is a great aid to our families, it places a tremendous financial burden on our Club. We must pay annually for insurance, uniforms, equipment, league fees and more. Finding funds to cover these expenses is a serious problem.

THE SOLUTION: YOUR SUPPORT

We believe that our diversity and inclusiveness makes us stronger, and improves our entire community. So we are asking you to become a Sponsor to invest in our student-athletes by donating to our Future fund. The following two pages detail support levels available for the 2026 season.
