

# Iguana Craft

## Materials Needed:

- Iguana Printout
- Crayons or Markers
- Safety Scissors

## Instructions:

1. Color iguana and tongue piece with crayons or markers.
2. Using safety scissors, cut out the iguana.
3. Optional: after the iguana is cut out, you choose to color the underside as well.
4. Fold iguana in half lengthwise along dotted middle line.
5. Fold each of the iguana's legs in two places, along the dotted lines as shown in example.
6. Fold down neck just slightly.
