**The National Federation of State High School Association's Rule Book
will be the source of regulations governing play.**

Supplemented by the following rules:

14. Metal spikes are not allowed. Rubber spikes or gym shoes only.
15. Managers/Coaches will examine the field after rain to determine whether the game will be played or not. It is the managers/coaches responsibility to make their players aware of any schedule changes or cancellation dates. The Manager must schedule all make-up games through their league coordinator.
16. Each team must field nine players. However, a game may start with 8 players but at anytime during the game a team has less than 8 eligible players, that team must "forfeit" the game. Defensive players must be stationed anywhere in fair territory with the exception of the pitcher and the catcher, who must be in their respective positions.
17. The home team will occupy the third base line dugout. The home team will be responsible for preparing the field prior to game time. They will also have responsibility for cleaning up the field, putting all equipment into the proper storage containers and making sure the container is properly locked up. **Each team will be responsible for cleaning their dugout.**
18. If there is any conduct detrimental to the welfare of the league or the children, the umpire shall issue one warning to the person or persons whose conduct is in question. If the first warning does not resolve the problem, the umpire shall stop the game and have the person or persons ejected from the park. Any person ejected from the park for this reason will not be allowed back on the fields for the remainder of the season.

19. Any player or coach ejected from a game for unsportsmanlike conduct or language must leave the park. For any player ejected, the player's position in the batting order will be an "out". Coaches must leave the field immediately; players with their parents – if a child's parents are not at the game, the player may sit on the bench, but will not be permitted to play. **(No child shall leave the park unless accompanied by a parent, guardian, or coach)**. The player and/or coach will not be eligible to play or coach the next game.
20. **The slaughter rule will be in effect.** If a team is winning by 10 runs after 6 innings (5 ½ if the home team is ahead), or a team is winning by 12 runs after 5 innings (4 ½ if the home team is ahead), or a team is winning by 15 runs after 4 innings (3 ½ if the home team is ahead), or a team is winning by 20 runs after 3 innings (2 ½ if the home team is ahead), the game will be considered complete and called by the umpire.
21. **Infield-fly rule will be in effect.** The Umpire calls "infield-fly" and the batter is out. Runners may advance at their own risk, but must tag-up if the ball is caught.
22. **The "must slide" rule will be enforced!** If the defensive player has control of the ball, the runner must slide. If the runner does not slide, the umpire may call the runner out. Keeping in mind, the **NO CONTACT** rule will also apply. The runner should avoid contact with any defensive player. If a defensive player intentionally blocks the base line, and the umpire sees it, he may reward the runner the base.
23. **An eleven-year-old (first year Bronco player only) must pitch in every game, within the first 5 innings,** to a minimum of five batters, or three outs. **No exceptions!** Managers must announce their eleven year old pitcher.
24. Every player will play in the field (continuous batting order) for a minimum of 3 innings in a 7-inning game – unless there is an injury or other issues. **A player cannot sit out for 2 consecutive innings.**
25. If a player must leave prior to the end of the game, due to injury, illness or other commitment, there will be no penalty to his team. The player's spot in the batting order is skipped. Exceptions: a player is ejected from the game or if the team has less than 9 batters – in which case the team will be forced to take an out. Players who arrive late, and miss their spot in the order, will be placed at the bottom of the order. This will also alleviate the minimum field play requirement.
26. If a team refuses to reschedule a game more than two times in a season, the game may be forfeited.
27. The winning team must report the score of the game within 48 hours of completion. The home team must report any games that were postponed due to weather or other circumstance. Scores must be reported using the website at <http://www.westsuburbanbaseball.com/>
28. Games not played may be recorded as a loss for both teams. Coaches must work with their league coordinator if having trouble scheduling makeup games.
29. The California Rule is in effect with a tie game after 7 innings. When the game enters extra innings, the last batter from the previous inning starts on 2nd base with 1 out. When the California rule is in effect, the catcher may not be pulled from base to prepare for the next inning. The California Rule will not be used during the championship series.

Bats

31. Use of an illegal bat will result in the batter being called out with no warning. Runners may not advance. A second offense will result in a forfeiture of the game. At the beginning of the game, the umpire may check the bats for damaged or illegal bats and any so found will have to be removed from the game.

Protests

32. It is the responsibility of the managers to assist our umpires. Managers must work out those decisions that are grossly mistaken in a respectable manner. **Only Head Coaches (Managers) are allowed to discuss rule disputes with the umpires. Coaches shall be obligated to inform the umpire of the correct rule.**
33. In the event a manager wishes to protest a ruling (judgment calls may not be protested), the manager must inform the opposing manager and the umpire of his intention to appeal prior to the end of the game. The appeal, in writing, along with an appeal fee of \$25.00, must be submitted to the league coordinator within 48 hours of the completion of the game. The appeal fee will only be refunded if the protest is upheld. Protest rulings will be decided by all commissioners at that level where the incident occurred. The commissioners of

the teams involved in the protest will be excluded from the ruling. A report from the umpire will be required.

Batting

35. All batters and base runners must wear their batting helmet, from the time they leave the dugout to the point they re-enter it. There will be one team warning for a batter or base runner that deliberately removes a helmet while the ball is in play. Upon second offense, the batter/base runner will be called out.
36. Bunting is allowed.

50. The weekly limit rule will be waived during the playoffs.
51. All teams are required to track their pitchers in their scorebook.
52. Each team must pitch an eleven year old (first year player) a minimum of 5 consecutive batters or one full inning each game prior to the 6th inning. Managers must announce their eleven year old pitcher.

Umpire

The home team shall provide a minimum of 1 umpire per game. Umpires must be at least 17 years old.

In the event that an Umpire does not arrive within 15 minutes of the scheduled start time, the visiting manager may designate an umpire of their choosing, and not be subject to challenge by the home team. The designated umpire must be at least 18 years old and may officiate from behind the plate only with proper equipment; otherwise, they must officiate from behind the pitcher's mound. If the regular umpire shows up with proper equipment then they will assume the duty for the remainder of the game. No manager or coach from either opposing team shall serve as an umpire.

Conduct

The Managers, Coaches and Spectators should try to remain cordial to each other and set an example for the children. None of us are perfect and we can expect a number of mistakes resulting in bad calls. This is not just about baseball. It is about respect for one another, setting a good example for the children and teamwork. Let's all do our best to get along with one another and teach these children, not only the fundamentals of baseball, but the more important qualities required in life, and most importantly, **LET THEM HAVE FUN!**
