1985 - Fund for Women

Background

In 1985, Field Hockey Ontario (FHO) was incorporated. FHO was an amalgamation of Ontario Women's Field Hockey Association (OWFHA) and the Ontario Field Hockey Association (OFHA). At the point of amalgamation, OWFHA had \$60,000 which was given to the new organization FHO to be kept for use in the promotion of women's field hockey in Ontario. These funds were held in various financial instruments. In 2006, \$24,000 of these funds were used to cover emergency expenses for FHO. At a Special Meeting on April 30, 2011, the membership approved restoring these funds to \$60,000. FHO was directed to create a Terms of Reference for the use of these funds. At the 2011 FHO AGM, the initial three women committee was approved and given direction to amend the draft Terms of Reference and disburse funds in accordance to these Terms of Reference. The amended Terms of Reference to be submitted to FHO Board of Directors upon completion. The initial committee appointed were Ann Doggett, Ruth Hibbard, and Janine La Marre. The initial committee was to disburse \$1200 prior to the end of the 2011/2012 FHO fiscal year. The initial \$1200 disbursement was to be part of FHO's operating budget and not part of the fund. This was deemed to be interest for the borrowing of said funds in 2006.
