## FALL 2019 COACH REGISTRATION/TEAM PROFILE

All coaches are required to register online in order to coach with Southern Nevada Soccer Association's Henderson United, Southern Highlands United or Mini Kickers youth league programs for the Fall 2019 season. **The Fall 2019 registration period will start June 1, 2019.** SNSA uses the Stack Sports League Connect platform for registration. The League Connect system provides integrated background checks for new coaches; allows you to include team profile information within your coach registration form; and includes the "Team Connect" feature to access live roster updates and to communicate directly with the families on your team. Follow these steps to register:

1. Go to our website at [www.snsasoccer.com](http://www.snsasoccer.com) and click the **"COACH/TEAM MANAGER REGISTRATION"** link in the Quick Kicks section on the home page. If you are a returning coach, you are already an SNSA member and can log in using your email address and password. If you are a new coach you can create an SNSA member account and proceed with coach registration.
2. Complete and submit the online member and coach registration forms. Be sure to select the age/gender division in which you want your team to participate, and indicate the team and/or player you are requesting to coach. You can include your team color preferences, level of play, practice location and returning player list as part of your coach registration.
3. The background check system is integrated as part of the registration system; coaches that need a background check will not need to complete a separate application.
4. Starting with the Fall 2019 season, US Soccer now requires all registered coaches to complete the online SafeSport training course, which includes sexual misconduct awareness, emotional and physical misconduct, and mandatory reporting. SNSA will provide a course link to all registered coaches, along with instructions to submit the completion certificate to SNSA.
5. New coaches and returning coaches with expired background checks will also be required to complete the CDC Heads Up Concussion online training course and will be provided with a course link and instructions to submit the completion certificate to SNSA.
6. New coaches need to email a photo (.jpg, .png or .pdf format) to [info@snsasoccer.com](mailto:info@snsasoccer.com) to be used for their 2019-2020 coach identification cards. All Fall 2019 registered and confirmed coaches will be issued a coach ID card which will be valid through July 31, 2020.
7. Coaches who serve as head coach, assistant coach or team manager for more than one team will need to submit separate registrations for each team.

Coaches who do not register online are not officially registered with SNSA, and are not insured. Registration provides significant liability protection for our coaches, and we encourage any person that acts in the capacity of head coach, assistant coach or team manager to submit a registration. Coach training classes will be held in August; check the coaches page on the SNSA website ([snsasoccer.com](http://snsasoccer.com), "Coaches" tab) for coach event information and other coaching resources. Contact us at [info@snsasoccer.com](mailto:info@snsasoccer.com) or 702-568-0400 if you have any questions.

**Thank you for volunteering to coach youth league soccer with Southern Nevada Soccer Association!**
