

Official Site of Liberty High School Athletics

Directions: Signing Up for SportsEngine and Getting Edit Access

Step 1: Create a SportsEngine Account

Go to: <https://user.sportngin.com/setup/account>

Fill in your:

- Full name
- Email address (use your **LPS email** if possible)
- Password

Click "**Sign Up**"

Confirm your email if prompted

Step 2: Join "Liberty Blue Jay Athletics"

- After creating your account, notify Kirk Bragg (kirk.bragg@lps53.org)
 - You will then ask **for an invite** to join the "Liberty Blue Jay Athletics" organization on SportsEngine.
 - You will receive an email invite—click "**Join**" in that email.
-

Step 3: Join the Group "LHS Athletics Web Coaches"

- Once your email is connected to your SportsEngine account, provide the **email address** you used to Kirk Bragg.
- You will then be sent an **invitation** to join the **LHS Athletics Web Coaches** group.
- Accept the invite (via the email you receive).

Once accepted, you'll be granted **edit access** to your team's website (e.g., Track or Women's Basketball).

Step 4: Let the Admin Know (Kirk Bragg or Tricia Middleton)

- After accepting the invite, notify Kirk Bragg (kirk.bragg@lps53.org):
 - Finalize your web access
 - Assign you to the correct team site
 - Confirm your edit permissions are active
-

Tips for Editing the Site

- Once added, you'll be able to edit pages, post announcements, upload schedules, and more.
- If you have questions about how to edit the site, navigating the edit tools just reach out to Kirk Bragg for help or a walkthrough.
- The editing system is user-friendly and after some practice/trial and error you should be able to manage the features.
- For an example if you want to look at our baseball page we have many links and information.
