**POSITION YOU'RE INTERESTED IN:** Boys Director

***Why are you interested in running for a position on the WBLAX board?***

I know being on an athletic board is a lot of work and I believe I can help. I have two sons involved in the WBL Lacrosse (one played at U10 last year and the other at U8) so I have a vested interest in the program's success and will be around to watch my sons go through the program.

***What traits make you a good candidate for this position?***

I have good leadership skills and good people skills; I enjoy working with others to make a plan happen. I have the drive, energy and ideas needed to help improve the program.

***What issues do you feel are most important to WBLAX?***

I believe that we should do our best to attract more players to the program so they can experience the great game of lacrosse. I believe we should offer better training for our players so they have better grasp on the fundamental skills needed to play the game.

***Please list other involvements you've had in this or other communities:***

I have coached multiple levels of hockey in both the White Bear and Oakdale communities. I have also coached lacrosse in White Bear. I enjoy volunteering my time to the things that my family is involved in.
