

Mandatory Jersey sizing day

Thursday, July 19, 2018 5:00 PM-9:00 PM

in the Canlan Party Room.

In an effort to keep costs down, not have a closet full of extra jerseys and listen to suggestions from our membership, the Huskies Hockey Club is instituting an updated jersey policy. Jersey's will no longer be included in fall fees.

- For the 2018-2019 hockey season, all returning CSDHL, NIHL and CUHL players will retain their 2017-2018 jersey numbers. All returning NWHL players continuing to participate in the NWHL will also retain their 2017-2018 jersey numbers.
- Any 2017-18 NWHL player moving from NWHL to CSDHL/NIHL that may require a jersey number change per the Huskies Jersey Number Policy will be required to purchase their jerseys (\$200.00). The Huskies Jersey Policy can be found on the Huskies website under Club Info/Policy & Forms.
- Any new members to the Club must purchase player jerseys for the upcoming season (\$200.00), as new jerseys are *no longer* included in your fees.
- Any 2017-18 returning member of the Club who wishes to purchase a new set of jerseys is also able to do so at the same price (\$200.00). All returning players needing replacement jerseys will retain their 2017-2018 jersey number.
- The Club will be issuing NEW home and away game socks for all players (new and returning) which are included in your fall fees.

***Please note any player who does not fit into one of these categories, does not need to attend the jersey sizing day and you can simply use last season's 2017-18 home and away jerseys, subject to the Huskies Jersey Number Policy adopted in June of 2017.

To safeguard against jersey delay issues of the past, and in order to receive jerseys by the beginning of the season, ALL NEW PLAYERS and anyone else needing a new jersey must attend the

MANDATORY JERSEY SIZING DAY Thursday July 19, 2018.

Please bring the following items to Jersey Sizing on July 19th:

- Shoulder pads
- Three top number choices (odd #'s for odd birth years and even #'s for even birth years.
- Payment-All jersey orders must be paid for on July 19th (\$200.00). Checks need to be written out to HHC. *If a player is not placed on a team, they will receive a full refund of a jersey cost.*

Please note all jerseys ordered after July 19th are subject to being placed in the second round of ordering with expected delivery in late November.

Attending the sizing day does not mean your order has been placed. Orders are only placed once payment is received. All checks should be written out to HHC.

If you have any questions please contact Huskies Board Member Michele Chase
