Accepting an offer to play for FC Columbus indicates an agreement to pay a \$300 deposit upon acceptance and agreement on the fee schedule above. Upon acceptance and team registration you will provide a credit card on our Stack website and fees will be automatically charged to your credit card based on the above schedule. If at a later date you decide to leave FC Columbus, refunds will not be granted unless the player moves out of the Columbus area. Fees will be carried over to the following season for injured players that lose a significant portion of a season.

Failure to pay player fees by the due date will invoke the "NO PAY, NO PLAY" club policy. Players will be ineligible to participate in team practices, games and tournaments until payment is received. We realize that situations can arise that result in a financial strain on the family, in order to keep the player from being ineligible, we will work with the family only if notified promptly.

FC Columbus is one of the few soccer clubs in Central Ohio to have its own dedicated indoor facility. We have a long-term lease on a warehouse-style building located at 4445 Weaver Court North in Hilliard, just west of the Mill Run area near the corner of Cemetery and Leap Roads. At 12,000 square feet, this facility features 10,000 square feet of turf practice space, a sitting area for parents to wait during training sessions and plenty of parking.

By having full year access to an indoor facility, FC Columbus truly distinguishes its commitment to individual and team development within the Central Ohio soccer community. The benefits to this facility are truly endless for club members allowing teams and individuals to continue their development uninterrupted year round. As part of your annual fees every club member is able to participate in three sessions per week of winter indoor training and coaching (November – February). In addition, the facility provides a location for FC Columbus teams to hold in-season practices during inclement weather.
