

Stillwater Hockey Parents!

I hope all is well and you are enjoying your summer! I wanted to take the time to briefly introduce myself and let you know about a FREE month promotion we'll be running at ETS St Croix. My name is Derrick Schmidt and I'm the Director at ETS St. Croix and previously the ETS Team Camp Director at Stillwater High School.

Providing impact and opportunity for youth athletes in the St. Croix area has always been a vision of ours and we couldn't be more excited to be launching an ETS facility in Stillwater, MN! With that being said we are pumped to be locking arms with long-time NHL player and ETS client Thomas Vanek as we bring our elite training systems to this community.

For over a decade, ETS has provided unmatched individualized training systems for ALL ATHLETES ages 8-PRO. At ETS, we strive for greatness not only in athletic development, but also personal and character development of our athletes.

Our doors will open on August 2nd, 2021 in which will begin two weeks of Athlete Evaluations. The first 50 Athletes to schedule an evaluation will receive a FREE month of training! We anticipate these spots filling pretty fast, so at your convenience simply click on the link below and reserve your athlete's spot.

<https://www.etsperformance.com/st-croix-mn>

After filling out the form, feel free to check out more information regarding our Training Services: <https://www.etsperformance.com/training>.

If you have any questions, don't hesitate to reach out to me directly! I look forward to meeting you and your athlete in the very near future.

**Yours in Performance Mastery,**

Derrick Schmidt  
Director of Operations  
ETS St Croix
