

## Lake Region Figure Skating Scholarship Application

At Lake Region Figure Skating Club (LRFSC), we believe every child should have the opportunity to grow through skating, regardless of financial circumstances. As part of our commitment to making skating accessible, we are proud to offer a **Skating Forward Scholarship** for skaters in need of financial assistance.

### About the Scholarship:

The Skating Forward Scholarship will cover **50% of the annual registration fee** for eligible skaters. The family will be responsible for the remaining 50%. The scholarship will not cover advanced ice classes (Power, etc.) or coaching fees (individual or small group private lessons). This scholarship is designed to support dedicated skaters who may not otherwise be able to afford to participate in our club and programs.

### Eligibility Criteria:

- Skater must be between 3-18 years old, and has not graduated high school.
- Skater must be a current or prospective member of Lake Region Figure Skating Club.
- Family must demonstrate financial need.
- Skater must show a commitment to the sport and good sportsmanship.

### To Apply:

Please submit the following:

- A completed scholarship application form (available at [lrskating.com](http://lrskating.com))
- A short letter from the skater, for skaters 7 years and up, describing why skating is important to them
- A brief statement of financial need from a parent or guardian

**Application Deadline:** September 30, 2025

Scholarship recipients will be notified by October 10, 2025.

We understand the challenges many families face and are committed to helping our skaters stay on the ice. If you have questions or would like help applying, please contact [lakeregionfsc@gmail.com](mailto:lakeregionfsc@gmail.com).

Thank you for being part of our skating family.

Sincerely,  
Vanessa McLaughlin  
LRFSC President

**Lake Region Figure Skating  
Scholarship Application Form**

**Applicant Information**

*Please print clearly.*

- **Skater's Full Name:** \_\_\_\_\_
- **Date of Birth:** \_\_\_\_ / \_\_\_\_ / \_\_\_\_
